October 15th, 2021

Conference language: English

ELECTRONIC SUBMISSION → e-mail: astox@boku.ac.at ←

Administrative Details:

Preference:

classical oral communication

elevator pitch*

Presenting author:	
Name:	
E-Mail:	
Affiliation:	
Position (e.g. PhD student, etc.):	

Please note:

The organizing committee will decide on the mode of presentation based upon abstract quality as well as general programme set-up.

***Classical oral communications will be in the range of 15-20 min. More detailed information about the allotted time will be provided to the presenters after acceptance of their abstracts.**

***Elevator pitches are very short (max. 3 min, max. 3 slides) oral presentations. They should be designed to explain the (importance of the) topic/research question/thesis. While they might include the (planned) scientific approach, elevator pitches should not contain any results.**
