Österreichische Gesellschaft für Toxikologie

Application for the ASTOX Young Investigator Educational Enhancement Travel Award 2023

The Austrian Society of Toxicology is awarding PhD students or young PostDocs (completed PhD not longer than 24 months ago), working at an Austrian university or research institution, a travel grant of up to EUR 1.000,- for the visit of a toxicological conference. The applicant has to provide an abstract for a presentation and a recent academic CV together with this application form. Submissions should be compiled to a single pdf-file and sent to astox@boku.ac.at until 31 January 2023.
